Dayita is our Music Specialist. She alternates her visits to the Dolphins between Mondays and Tuesdays. During the last 2 weeks she has been introducing the drum, parachute, bells, and Rhythm sticks.

“"We got to shake and shake and shake and stop. Shake and shake and shake and stop. Now we shake some more.”

Children join in the pattern sound of the drum. Rub, rub, tap, tap, tap, rub, rub, tap, tap, tap, rub rub, rub,…

“Up so high, down so low. Give a little shake and around we go. Up so high down so low. Give a little shake and hold it so.”
