

From the CCC

Dear Families of the CCC,

We are delighted to announce that we are officially moving to our new center! On Friday, August 1st, 2014, the CCC will be closed for the move. Please be sure to make the proper arrangements for childcare. The center will re-open Monday, August 4, 2014. As you have noticed, we began moving smaller items from the classroom; however, we continue to provide the activities and curriculum necessary for the children.

To prepare for the move, we have three work Saturday's lined up: Saturday July 19, July 26, and August 2 from 9am – 1pm. Our first work Saturday on July 19 was a successful turnout. Thank you to the following parents for participating: Fredrick Eberhardt, Moh El-Naggar, James Maloney, Mohamed Elghefari, Jennifer Newton, Tina Christie, Gai Hao, Lifeng Zheng, Claire Mijares, Rich Fineza, Frank Greer, and to the parents that we may have missed. We would also like to thank the following staff for their help: Veronica Hendricks, Diana Gomez-Ramirez, Olivia Garcia, Jannette Norwood, Veronica Dayag, headed by our super moving administrative team, Susan Wood and Elizabeth Ledezma.

Change is a sensitive time for children, families, and staff. During the first couple of weeks we anticipate feelings of anxiousness and excitement. Please be aware that your child may be affected by the move and may encounter the following: sensory overload, exhaustion, change of appetite, and new faces. To help with this transition, we suggest that you have shorter days for your child by picking up earlier, discuss the move with your child daily, spend extra time in the classroom with your child getting to know your new surroundings, and providing a comfort item if necessary.

We look forward to the opening of our new Children's Center at Caltech. We thank all families and staff in advance for their support during this time!
